

Final Exit Network

Autonomy. Informed Choices. Dignity at the End of Life.

Our Mission

To educate and support those who want choice in dying.

Our Vision

That any competent person unbearably suffering an intractable medical condition has the option to die legally and peacefully.

Public Education Workshops – In-Person or Virtual

Overview:

- Final Exit Network’s trained staff and volunteers are pleased to offer workshops on end-of-life options and choice-in-dying, in-person (if available) or via Zoom, to groups of individuals and to health and care professionals.
- Each workshop will provide a discussion of **all options** one may have, with state-specific information and links to appropriate resources.
- Workshops will also include cautionary language and the general legal boundaries around a chosen death.
- FEN’s public workshops **do not include** any step-by-step instructions or technical demonstrations for any method of self-deliverance.

Topics Covered:

- Introduction to Final Exit Network Programs and Services
- Laying the Groundwork - Documenting & Communicating Your Wishes
- Special Advanced Care Directive for Dementia
- Medical Choices and Allowing a Natural Death
- Medical Aid in Dying (MAID) (state-specific parameters & resources)
- Voluntary Stopping Eating and Drinking (VSED)
- Assisted Dying in Switzerland
- FEN’s Exit Guide Program
- Question and Answer Session
